MOOVE PL

MOOVE BENCH

- Round bench in plastic
- Can be turned in two different ways
- Available in orange, red and black as a standard

MATERIALS:

- Rotation-moulded plastic

MEASUREMENTS AND WEIGHT:

10 - 12 mm plastic

95 kg

INSTALLATION:

- To be placed unfixed on the ground
- Can be made more stable by filling with water or sand via a small hole on the inner side, which can then be closed with a screw top
