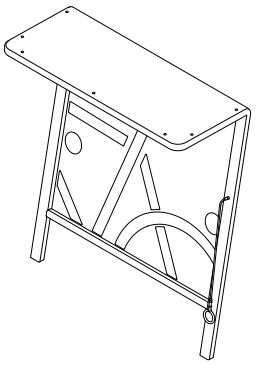
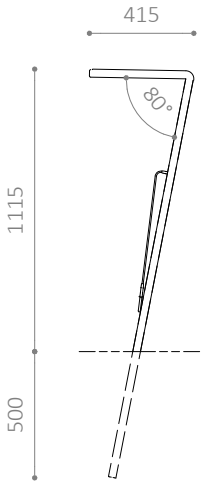
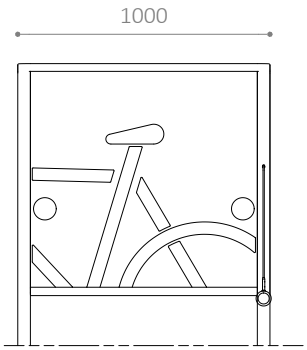
SYV







SYV BICYCLE BOLLARD
- Innovative bicycle stand that shelters the saddle from rain
- Cut-out options include a bike symbol, a logo or a bespoke design
- Bike locks can be attached by cable or to the panel itself
- Also available in any RAL colour

MATERIALS:
- Hot-dip galvanised steel
- Also available in powder-coated, hot-dip galvanised steel
- Steel cable

DIMENSIONS:
Panel: 2 mm
Frame: 30 x 50 mm rectangular tubing

INSTALLATION:
- Can be cemented in
- Recommended distance: Minimum c/c 1000 mm
- Recommended base dimensions: 2 x Ø 300 x H 500 mm
- Distance from ground to top edge: 1115 mm
- We recommend that SYV be installed with just enough of a slope that rainwater naturally runs off the horizontal top panel

We reserve the right to make minor changes
